FEES

Rental of mainstage space	\$150 each hour
Sound equipment and engineer	\$100 each hour

INCLUDED IN RENTAL FEE

(what ROC Star Academy provides)

- Tables and chairs (6-foot long tables plus round tables)
- Set up of tables and chairs per your party plan
- Additional tables provided for gifts, desserts, food, bar
- Easy access to a fridge and sink
- Garbage pails and garbage bags
- Staff onsite to assist

INCLUDED IN SOUND ENGINEER FEE

- Professional sound and lights, including stage microphones
- Karaoke on the big screen (extensive song library/singer is center stage)
- Music playing during the event (your song list or ours)

TO BE PROVIDED BY GUEST (RENTER)

- Food
- Paper and plastic ware: Plates, cups, napkins, utensils, plastic tablecloths
- Decorations or theme setting (RSA can assist with lighting enhancements)
- Food-warming devices (i.e. crock pots and chafing dishes)
- Alcohol: if a set invitation list is being used for your event, you do not need to obtain a NYS liquor license. However, if you do bring in/provide alcohol at your event (beer, wine, or liquor), RSA requires the responsible party to sign a form in advance that will absolve RSA of legal ramifications if there is an alcohol-related accident or injury (onsite or after guests depart the event.)

EVENT OPTIONS:

(Charges for below items will be discussed/determined)

- The stage can be used by musicians in the renting party. RSA will provide the drum kit, keyboard, piano, microphones, sound, lighting, guitars, bass guitars.
- RSA event team can *(for additional fee)*:
 - Coordinate catering (after deciding menu with client)
 - Provide all paper and plastic products (plates, cups, napkins, utensils, plastic tablecloths)
 - Provide decorations (after discussing theme and decoration budget with client, RSA will purchase items and decorate the space)
 - Provide sound files or video files of any performances on the stage
 - Hire a professional bar service (that would hold the liquor license) *(Please note: if you charge admission at your event or if it's open to the public (and promoted as such), you will need to hire a caterer or bar service with liquor license three weeks before event date)*
- We are happy to discuss additional options, including use of more rooms.

CORPORATE EVENTS/TEAM-BUILDING EVENTS:

Everyone loves music, and every employer and manager loves positive teamwork and a more engaged staff. ROC Star Academy presents a creative and engaging way for employees to experience “being with the band,” whether onstage as one of the musicians and singers or working the backstage experience, including the marketing and the touring logistics.

Teams work together toward determined goals and have fun throughout the process, with breakout sessions taking place in the rehearsal rooms at ROC Star Academy and in the mainstage performance room.

Teams will collaboratively decide the band name and logo, where they will tour, what songs to play, and ultimately put on a show for the entire team to enjoy, with each person having played a part, as they rock out together (and a sound and video recording can be provided).
